LABEL INFORMATION

GROUND S KEEPER COFFEE URN & POT CLEANER

This liquid coffee pot cleaner effectively eliminates unsightly mineral buildup and oil deposits, so they don't affect the flavor of your coffee. A quick and easy way to keep coffee pots fresh and odor free.

THIS VERSATILE PRODUCT CLEANS:

Coffee Pots, Glass Bowls, Urns, Tea Pots, Plastic Coffee Bins, Glassware, Stainless Steel & Porcelain

DIRECTIONS: Shake well.

URNS: For 1.5 gallon urn, mix 12 oz. product to 12 cups water. For a 3 gallon urn, mix 16 oz. product to 1 gallon water. Empty solution and rinse vessel with clean warm water. Air dry or wipe clean before next use.

COFFEE MAKERS: Mix 4 oz. product to 32 oz. water. Pour into coffee maker well and run through a complete cycle. Rinse by running clean water through 4 complete cycles.

DANGER: Causes serious eye damage. May be corrosive to metals. Wash hands thoroughly after handling. Wear protective gloves and eye protection. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. Keep only in original container. Absorb spillage to prevent material damage. Store in a corrosion resistant container.

Contains (CAS#): Water (7732-18-5), Organic Acid Salt (Proprietary).
