LABEL INFORMATION

COMMAND AUTO POLISH

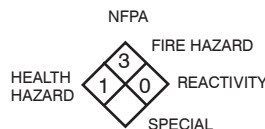

This product is a unique aerosol polish for automobile, truck and marine finishes. This polish produces a deep, lustrous shine that will not harm the finest finish. Protects with carnauba wax and PTFE. Makes waxing fast and easy, simply spray on, allow product to haze, and buff to a high-gloss durable finish.

DIRECTIONS FOR USE: Shake well before using. Wash vehicle, wipe off excess water. Spray product on surface to be polished. Let product set for 5–10 minutes or until haze forms. Wipe with clean soft cloth and buff to deep lustrous shine.

DANGER: Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes eye irritation. Keep away from heat, sparks, open flames, and hot surfaces. –No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

CONTAINS (CAS#): Water (7732-18-5), Propane/n-Butane (68476-86-8), Petroleum Distillates, hydrotreated light (64742-47-8), Carnauba Wax (8015-86-9), Anhydrous Aluminum Silicate (66402-68-4).
