# RED THUNDER

## *Concentrated Cleaner Degreaser*

### ZENEX NUMBER 210725

#### DESCRIPTION

RED THUNDER is concentrated and unique formula that incorporates a new generation surfactant system that effectively cleans and degreases even at extremely high dilution ratios. Formulated for versatility where multiple job performance is needed and a single product is required. RED THUNDER contains a blend of high tech chelating agents to make it effective when used in hard or soft, hot or cold water.

#### FEATURES AND BENEFITS

Versatile: Works on many soils and many surfaces. Use in hot or cold water. Contains powerful cleaning agents. Economical: Concentrated. May be used at very high dilution ratios. Cleans quickly, saving labor, saving dollars, saving time. Its versatility eliminates the need for additional cleaners.

#### APPLICATIONS AND USES

Use in dip tank cleaners, automatic floor scrubbers, steam cleaning units, mop buckets and trigger sprayers to clean where mild cleaners fail and harsh caustics may do damage. RED THUNDER is designed for cleaning equipment, parts, tools, walls, floors and much more.

#### DIRECTIONS FOR USE

Dilute concentrate according to cleaning requirements. Apply solution to surface, when possible allow a short time for soil penetration. For painted surfaces, test in an inconspicuous area when using for the first time. Contact your local ZENEX representative for further information. Always test in an inconspicuous area prior to use.
