The professional 30-day plug-in air freshener for larger spaces

30-Day air-freshening for larger spaces

Dry fragrance refills contain 3-5 times more fragrance than grocery store purchased plug-ins and freshens more space.

Easy to use

The rotating plug works in any 3-prong outlet. The intensity button allows you to select the right setting, and there are no screws or tape needed to install.

Improves air quality

The high-speed fan draws air through the charcoal filter, helping to clean the air for a better experience.

Environmentally-friendly

Refills are 100% recyclable, contain a biodegradable additive, and there are no batteries required.

High-quality fragrance solutions

We offer a range of fragrances to complement every type of space.

1 = 250 - 500 sq. ft.

2 = 500 - 1,000 sq. ft.

Versatile & expandable

Use one dispenser for spaces 250- 500 sq. ft. Add additional units to freshen larger areas.

Create better user experiences by choosing the right fragrance

Fragrance is not one size fits all. Fragrance is very personal, sets the mood, and determines a user's experience. With our range of high quality fragrances we are sure to have the perfect scent for every different location.
