

PRODUCT NO. 483504

SteelShine Stainless Steel Towels

DUAL-SIDED STAINLESS STEEL CLEANING TOWELS

A multi-purpose, pre-moistened metal polishing and protecting wipe. The abrasive side helps remove rust and oxidation while the smooth side polishes the metal surface to a brilliant luster.

FEATURES & BENEFITS

- Cleans and conditions
- Protects and repelling dust and dirt
- Protects any stainless steel surface

APPLICATIONS & USES

Use on all metal surfaces. Extremely useful in construction, transportation, utility maintenance, marine, oil drilling fields, maintenance vehicle repair, machining operating areas, airports, and warehouses.

DIRECTIONS FOR DISPENSING

1. Remove lid by lifting upward.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

Discard in waste bin when done. Do not flush.
